Sheridan.

Though we come into this world without consultation, and we wither and fade away like the autumnal flowers of golden September."

The above were our thoughts on

last Saturday as we viewed the hearse silently bearing a youth to the grave. We predict it is a universal op nion that death, the king of terror, is one of the most unpleasin numan existence. The most eminent with despairing trials and disappointments, but will when confronted with a serious stroke that impains the monoting of happiness will pause to analize and conjecture the result. But chance to be where utter darkness reigns alone, and let a soft murmuring wind gently hover around you and whisper: Death awaits thee. We say: Away! Away! with a ghastly and sickly attraction for the grave. Some enemies we delight to contend, but death we all most scrupul susly avoid. Only let this myisible and silent enemy manifest his presence in some epidemic disease and we all tremble

cumb but we are aware of the incontestible fact that death always gains The thought of submitting to the of them. They cou'd be indicted for monster's chilling embrace is fearof them. They could be indicted for tul beyond description. Oh, just to trespass by some justice of the peace think we are the creatures that have to moulder into dust in the dark. dark bottom of the grave inhabited by worms and creeping things, and never, never to hear the sweet voice the great difficulty is that the most of some devoted friend, nor hear not of music. Oh, that long, long silence never to be broken until the last trumpet shall awake the countless dead. Ah, but all this is shocking, horrible, revolting. None but whose affections have been crushed, whose hearts have been broken, who groan under the pressure of indescribable
